Omega

BELLA 100 S

FOLDER & GLUER

Omega Bella Folder Gluers are extremely versatile and capable of producing a full range of carton styles minimizing make ready and maximizing productivity and profitability.

All Omegas are designed and engineered for a demanding production environment.

With their strong assemblies and trouble-free electrical and electronic installations, Omega Bella Folder Gluers will be your trusted business partner for many years. Omega Bella has a short and easy make ready time and run at a 300 m/min belt speed and is perfectly affordable while being user-friendly, strong and very efficient at the same time.
